## *Mitchell Hamline Law Journal of Public Policy & Practice Vol. 45*

You are invited to write-on to the Law Journal of Public Policy & Practice! We are seeking writing (2-credits) *and* editing (1-credit) associates for the 2023-2024 Journal. Law Journal's associates work hard to produce the highest quality of legal publication available on topics relating to legal practice, legal issues faced by the public, and legal policy solutions.

Please email the journal at [jlawprac@mitchellhamline.edu](mailto:jlawprac@mitchellhamline.edu) to indicate your interest in receiving write-on materials for the Journal this upcoming May 2023. This creates no commitment on your part to complete the write-on process, but instead, simply adds your name to the list to receive all the relevant information required to apply.
